

# ANNUAL INDEX

## Volume 26: September 1980—May/June 1981

The yearly index to CO-ED and FORECAST for Home Economics, the Teachers' Aid for CO-ED Classrooms, appears regularly in the May/June issue of FORECAST.

(NOTE: Letters indicate month (S-Sept., O-Oct., N-Nov., D-Dec., Ja-Jan., F-Feb., Mr-March, Ap-April, My-May, My/J-May/June). The first letter indicates the month, the number after the dash indicates the page number, and the letter after the page number means the article appears in FORECAST (F) or CO-ED (C). This index does not include the June 1981 CO-ED. GS refers to "Get Smart" activities pages of CO-ED.

Articles appearing in FORECAST are indexed in the Education Index. The material in CO-ED and FORECAST is on microfilm and is available through Xerox University Microfilms, Inc., 300 N. Zeeb Rd., Ann Arbor, MI 48106.
